(F) Denotes subjects that are favoured by the elite universities. To study these subjects we recommend a student has a number of GCSEs at grade B or above.

We usually expect candidates to have achieved a grade B in the subjects taken at GCSE, which they now wish to study at A level.

**BTEC First courses** will be offered, subject to demand, in one of the following areas: Health & Social Care or Business Studies. Please see the Director of Sixth Form in person.
