

Rossett School

Success for everyone

October 2018

Dear Parent/Carer

Year 7 Local Area Geography Fieldwork

As part of your child's Geography lessons at Rossett School we will be conducting fieldwork at intervals over the school year. This will take place both within the school grounds and nearby in the local area. The students will be collecting data for analysis and evaluation in their Year 7 lessons but it also prepares them for fieldwork skills required should they choose to continue with Geography to GCSE level. The fieldwork will always take place within Geography lessons, so that the students do not miss other subject lessons.

The groups will always be fully supervised if off site and risk assessments of the locations have been made. Students will be reminded of our high expectations regarding behaviour both for safety reasons and out of respect for people in the local community.

If you would like your child to participate in this fieldwork please sign and return the slip below. If your child has a medical condition which we need to be aware of please add those details.

Please don't hesitate to contact me if you require further information

Yours sincerely

L Martin
Head of Geography

Year 7 Local Area Geography Fieldwork

Name of student: _____ Form: _____

I give permission for my son/daughter to take part in geography fieldwork while they are in Year 7. I understand this will take place both within the school grounds and nearby in the local community.

Medical condition: *None at present/ Yes *Please circle as appropriate; if 'yes', please give details:
