

## **Enquiries About Results & Access to Scripts**

Candidates who fail to achieve the grade(s) that is expected of them may wish to pursue an Enquiry about Results (EAR). Rossett School is committed to ensuring that all candidates have equal access to the range of post results services offered by the awarding bodies.

### **Enquiries About Results**

Requests for enquiries about results can only be made through the Exams Office and must be received by the Exams Officer in school, no later than **21 days** after the publication of GCSE results, to allow time for processing the request. The exception is Priority Service 2 request (only available if a GCE A Level candidate's place in higher education is dependent on the outcome) for which the deadline is **6 days** after the publication of GCE results.

- No request will be actioned without a fully completed Candidate Consent Form signed by the candidate (or with the candidate's email consent attached). Consent forms/emails must be retained by the centre for at least 6 months following the outcome of an enquiry or any subsequent appeal.
- No request will be actioned until appropriate payment has been agreed and received.
- Candidates are advised to discuss their result with the appropriate Head of Subject or a member of the Sixth Form Team before making a decision on whether to proceed with an enquiry.
- Enquiries about results can be instigated by:
  1. The candidate, who must sign the consent form and pay the appropriate fee by the given deadline before the school will action the request.
  2. The Head of Subject / Senior Leadership may agree that the department will fund an enquiry on the candidate's behalf. In addition to the candidate's consent the form must also be signed by the Head of Subject before being submitted to the Exams Officer.
- If the outcome of an enquiry about results is a change of grade the Exams Officer will arrange for the appropriate fee to be refunded to the candidate.
- The school will inform the candidate as soon as possible about the outcome of an enquiry about results.
- Candidates must be aware that the outcome of an enquiry is final and grades can go down, stay the same or go up. If the result is a downgrade the previous higher grade cannot be reinstated.
- In exceptional circumstance, in the event that the school and the candidate or their parent/carer disagree about actioning a post results service and all reasonable measures have failed to resolve the dispute, then an appeal must be made in writing to the Headteacher.

## **Access to Scripts**

A 'script' refers to the written work of a candidate which has resulted in an externally assessed component. Arrangements for Access to Scripts do not apply to internally assessed components, orals or audio/video recording.

### **Conditions of Access to Scripts (ATS) service**

Where teaching staff intend to use candidate's scripts, for teaching and learning purposes or as examples for other students, **prior written (or email) permission must be obtained from the candidates concerned.** This permission must be sought only after the candidates have received their results for the respective exam series. Candidates who grant their permission have the right to anonymity of their scripts before use. The centre's policy is that teachers using scripts for teaching and learning purposes must ensure that anything that can identify the candidate is removed before use.

A candidate has the right to instruct their centre not to use their scripts.

Scripts must **only** be seen by teachers who are members of staff at the centre or within a consortium of centres, or returned directly to the candidates. Centres must store scripts securely.

Where teachers have used scripts for teaching and learning purposes and no longer wish to retain them, the scripts must be disposed of in a confidential manner. In such cases script disposal must not take place earlier than the end of December of the exam series in case the awarding body requests the return of some scripts for research purposes.

### **Original hard copy scripts**

The originals of scripts that are or have been the subject of any malpractice investigation can be withheld by the awarding body. In these circumstances, a photocopy of the scripts may be requested.

**Once an awarding body has returned an original hard copy script to a centre or a private candidate, its security is compromised and it can no longer be subject to an enquiry about results.**

Staff and candidates must be aware that original hard copy scripts must not be written on or otherwise tampered with ahead of the earliest date for disposal – 20<sup>th</sup> November of the exam series.

Candidate who have tampered with scripts, which may be needed to be retrieved for return to the awarding body earlier than this date, are liable to be penalised in accordance with the established JCQ policies and procedures relating to candidate malpractice.
