

## HOME SCHOOL AGREEMENT

(Own iPad)

To help ensure that e-learning is a success at **Rossett School** and that we achieve maximum value from our joint investment in your child, we invite you to commit to the principles outlined in this agreement as we require the commitment of parents and students to ensure it works.

As you read through this leaflet you will see a summary of the e-learning commitment that the school is making to students and to you as parents. It also outlines the commitment that will be required from home, and from the children themselves, to make this work.

When you have read these sections we invite you and your child to sign the agreement and return it to school. This will help to ensure that we are all working together to achieve success.

### MY CHILD HAS HIS /HER OWN IPAD SO AT HOME WE WILL...

- Make sure that the iPad is working and ready for use.
- Make sure that the iPad is covered by insurance for use in and out of school for study purposes
- Ensure that our child understands how to care for and protect their iPad
- Make sure the iPad is not used for any illegal and/or anti-social purpose, including iMessages, access to inappropriate Internet sites and Chat Rooms
- Ensure that our child does not load any material which the school might deem inappropriate and appreciate that if this happens such material will be removed
- Ensure that the iPad is protected against iPad viruses

### AS A LEARNER I WILL...

---

- Look after my iPad very carefully all of the time
- Bring it to school every day, charged ready for a day's work, unless I have been told not to
- Always carry it around carefully
- Take care when the iPad is transported that it is as secure as possible (e.g. not visible when walking along the street or in a vehicle; not left unattended on a bus)
- Make sure the iPad is not subject to careless or malicious damage (e.g. as a result of horseplay)
- Take reasonable precautions to prevent the introduction of iPad viruses. If I am in any doubt whether a virus has contaminated the iPad, I will report the matter before connecting it to the school network

We invite you and your child to sign the e-Learning agreement overleaf and return it to the school. This makes clear our expectations and helps ensure that we are all working together to achieve success.

Please sign this tear off slip and return it to the Exams Office as soon as possible:-

*Using e-learning brings learning right into the 21<sup>st</sup> century. It gives students the opportunity to learn at their own pace, and for learning at home to be more structured and effective. We believe that e-learning will give every student the opportunity to progress faster and achieve more. We also believe that it will help to strengthen relationships between home and school. We can create a future that is even brighter for our children by working closely together to ensure that e-learning is a real success.*
