

## HOME SCHOOL AGREEMENT

To help ensure that e-learning is a success at **Rossett School** and that we achieve maximum value from our joint investment in your child, we invite you to commit to the principles outlined in this agreement. As a school we are prepared to provide all of the back-up and resources necessary to make this work, but we also require the commitment of parents and students.

As you read through this leaflet you will see a summary of the e-learning commitment that the school is making to students and to you as parents. It also outlines the commitment that will be required from home, and from the children themselves, to make this work.

When you have read these sections we invite you and your child to sign the agreement and return it to school. This will help to ensure that we are all working together to achieve success.

### THE SCHOOL WILL...

- Provide a iPad Mini for the use of your child for the length of the programme
- Make sure that the iPad Mini is working and that repairs are dealt with as quickly and effectively as possible
- Make sure that the iPad Mini is covered by damage insurance for use in and out of school for study purposes, provided reasonable care is taken to prevent damage
- Provide secure storage for the iPad Mini when it is not needed for any particular lesson
- Ensure that the iPad Mini is protected against iPad viruses
- Give parents and students a proper introduction to using and caring for the iPad Mini and the software

### AT HOME WE WILL...

- Ensure that our child understands how to care for and protect their iPad Mini
- Report any loss or damage (including accidental loss or damage) promptly
- Report any faults in hardware or software promptly
- Ensure that the iPad Mini is returned either at the appropriate time or if the student leaves the school for whatever reason before then, or at any other time upon the request of a member of staff
- Make sure the iPad Mini is not used for any illegal and/or anti-social purpose, including iMessages, access to inappropriate internet sites and Chat Rooms
- Ensure that our child does not load any material which the school might deem inappropriate and appreciate that if this happens such material will be removed
- Take due care to ensure that the iPad Mini is not lost.

### AS A LEARNER I WILL...

- Look after my iPad Mini very carefully all of the time
- Bring it to school every day, charged ready for a day's work, unless I have been told not to
- Always carry it around carefully
- Take care when the iPad Mini is transported that it is as secure as possible (e.g. not visible when walking along the street or in a vehicle; not left unattended on a bus)
- Make sure the iPad Mini is not subject to careless or malicious damage (e.g. as a result of horseplay)
- Take reasonable precautions to prevent the introduction of iPad viruses. If I am in any doubt whether a virus has contaminated the iPad Mini, I will report the matter before connecting it to the school network

- Not decorate or customise the iPad Mini or its case, etc, and not allow it to be subject to graffiti

**We invite you and your child to sign the e-Learning agreement overleaf and return it to the school. This makes clear our expectations and helps ensure that we are all working together to achieve success.**

Please sign this tear off slip and return it to school as soon as possible:-

#### Terms and conditions

Failure either to take such reasonable care of the device or to abide by the other conditions listed in this document may result in the iPad Mini being reclaimed. The school also reserves the right to claim financial recompense in such cases.

If the iPad Mini is used to connect with the Internet from home, the school will not be responsible for the costs involved.

Ideally, the iPad Mini should be re-charged at home overnight, but the school cannot accept responsibility for the electricity costs.

Insurance cover is for damage only – loss is the student's responsibility.

Please note that insurance does not cover charger cables.

Success for everyone

Home School Agreement  
For e-Learning Programme

*Using e-learning brings learning right into the 21<sup>st</sup> century. It gives students the opportunity to learn at their own pace, and for learning at home to be more structured and effective. We believe that e-learning will give every student the opportunity to progress faster and achieve more. We also believe that it will help to strengthen relationships between home and school. We can create a future that is even brighter for our children by working closely together to ensure that e-learning is a real success.*
