Success for everyone

September 2017

Dear Parent/Carer

AQA GCSE Geography 9-1 Revision Guides

The GCSE Geography revision guide is now available in school for your son/daughter to purchase. The guide covers all topics that we study at GCSE and has a range of exam style practice questions. Past students have found the guide a valuable support to their studies.

If your child would like to purchase a guide they should take **£5.00** to the Finance Office (cheques made payable to Rossett School) where they will be given a receipt to give to his/her Geography teacher in exchange for a guide.

I would like also like to remind you about the Rossett School Geography website where students can access all of the course content and additional further reading. Year 11 students are being asked to complete a weekly exam question from the 'Essentials' page on the website:

Please do not hesitate to get in touch with me or your child's Geography teacher should you have any questions.

Yours sincerely
