This course aims to develop printing skills, using Drypoint printing and Mono print methods, including a combination of mono type drawings, wiping methods and transfer painting to create abstract art.

It is suitable for beginners who want to build their core skills and become more confident and enjoy some different methods of Print or advanced learners who wish to improve, in a supportive learning environment.

It would also give previous students the opportunity to explore new techniques and progress their printing skills further.

Students' prior learning and their expectations about the course will be assessed by individual student discussions at the start of the day course.

The course will cover

Inspiration from surface pattern design on fabric or papers,
Finding Abstract with Print methods,
Texture and Mono Print effects
Defining pattern by creating a Drypoint plate and printing from it
Mixing techniques and colour,
Applying method and combining skills learnt,

Evaluation of your learning journey will be measured by reviewing the work at the beginning and end of the day.

By the end of the course students should feel confident in creating Abstract images and be able to judge, create and assess accurately using texture and colour in different print effects
