

Rossett School

Success for everyone

4th April 2025

Dear Parents/Carers,

The final day of the Spring term has arrived. A term that started with snow disruption and ended with an Ofsted inspection!

We have received the initial feedback and now will wait for the final published report, which will arrive in 18 working days. The feedback has been positive, and we will look forward to sharing this with you when it arrives. What I can share is how proud we have been of our students during this week. They have certainly demonstrated the very best of our school by being so welcoming, polite and friendly.

As a result of the inspection, the planned parent forum on Thursday 24th April will now be moved to Thursday 22nd May 2025. This will give me further opportunity to talk about the features of our school that have been recognised and that we can be proud of. I will also explain how we will use this inspection to keep moving forwards.

Thank you to everyone who confirmed they would be attending the forum, we will assume that you are still able to attend unless we hear otherwise. If you haven't yet signed up, please [click here to register](#).

We return to the Summer term on Tuesday 22nd April. The next term is quite a short one in comparison but features some very important points in the year not least the start of the public exam season. We know that our Year 11s have been working really hard in preparation so we will continue to wish them well and give them all the support they need.

The Summer term will hopefully see the glorious weather of the last few weeks continue. With this in mind we have made a slight amendment to our uniform policy. Please refer to this week's [Rossett News](#) for more information.

I know that everyone will be looking forward to the Easter break and the chance to relax, rest and spend time with family and friends but there is lots to look forward to when we return, including our takeover of Harrogate Parkrun on Saturday 26th April. In June, the sponsored walk will return and we will share more details in due course. There will also be Sports Day, Rewards Trips and Year 10 & 12 work experience.

As always, I would like to take this opportunity to thank you for your continued support and wish you and your family a lovely Easter holiday.

Yours sincerely,

T Milburn
