

# KS4 Social and Computer Science

## L2 BTEC Tech Award H&SC

**Assessment 1:** The Component 1 CAG grade awarded and banked in Year 1 (Aug 2020) and Component 1 partially completed coursework evidence from Learning Aim A (LAA), will contribute to the Q-TAG

**Assessment 2:** The Component 2 CAG grade awarded and banked in Year 1 (Aug 2020)  
**Assessment 3:** Component 2 LAB in-class assessment – Recognising Care Values in Practice, will contribute to the Q-TAG

**Pre-Easter**  
**Assessment 4:** October 2020 - In-class Microsoft Forms assessment – Physical and Lifestyle Factors that affect Health and Wellbeing  
**Assessment 5:** Mock exam Dec 2020 assessment - Component 3 February 2019 (Exam board material and mark scheme)

**In-Class Assessment**  
**Assessment 6:** Internal controlled mock exam assessment April 2021, using Component 3 Exam paper - Feb 2021 (Exam board material and mark scheme)

## CNAT ICT

**Pre-Easter Assessments**  
**Assessment 1:** R013 Developing Technological Solutions  
Coursework: Moderated by the exam board  
Covering(AO1,A02,A03)

**In-class Assessments**  
**Assessment 2:** Initiation and planning and data collection  
**Assessment 3:** Processing data and presentation information  
Covering(AO1,A02,A03)

**Extended Assessments**  
**Assessment 4:** January Exam Paper: R012- Understanding tools, techniques, methods, and processes for technological problems  
Covering(AO1,A02,A03)

## CNAT iMedia

**Pre-Easter Assessments:**  
**Assessment 1:** R081 Pre-Production–Exam – Sat January 2020 (marked by the exam board)  
**Assessment 2:** Half term tests, R081 –Pre Production, Half Term Interim Test 1 & 2.  
**Assessment 3:** December Mock covering R081  
Covering(AO1,A02,A03)

**Assessment 4:** R082 Creating a Digital Graphic covering LO1 and LO2

**Assessment 5:** R084 – Storytelling with Comic Strips Controlled Assessment – Externally Moderated in November by the exam board  
Covering(AO1,A02,A03)

**Extended Assessments**  
**Assessment 6:** R081 Pre Production. (Full exam paper will be used)  
Covering(AO1,A02,A03)  
\* Students normally have two attempts at the R081 Pre Production exam, the students sat the R081 in Jan 2020 and the second attempt will be the extended assessment. The students highest mark will count as evidence.

## GCSE Computer Science

**Pre-Easter Assessments**  
**Assessment 1:** End of topics test covering paper 1 and paper 2, System Arch, Memory and Secondary Storage, Programming, Algorithms, Networks 1&2, Data Representation, Systems Security, Computational Thinking and Arrays, Logic and Languages topics test will be included.  
**Assessment 2:** Paper 1 Computer Systems Mock  
**Assessment 3:** Paper 2 Programming & Algorithms Mock  
(Mock exam all questions taken from past exam papers)  
(Covering AO1,A02 and AO3 )

**In Class Assessments**  
**Assessment 4:** Paper 1 Computer Systems (Systems Architecture, Memory • Storage System security )  
• **Assessment 5:** Paper 2 Programming & Algorithms (Algorithms • Programming techniques • Producing robust programs Translators and facilities of languages  
All assessment are using exam materials  
(Covering AO1,A02 and AO3 )

**Extended Assessments**  
**Assessment 6:** Paper 1 Computer Systems 1 hour:( Wired and wireless networks, Network System software topologies, protocols and layers  
**Assessment 7:** Paper 2 Algorithms and Programming 1 hour(Computational logic • Translators and facilities of languages • Data representation, Programming techniques, Algorithms )  
  
All assessment are using exam materials  
(Covering AO1,A02 and AO3 )

# KS4 Social and Computer Science

## GCSE Business Studies

### Pre- Easter Assessments:

**Assessment 1:** Topic 1 (Business Activity) End of Topic test

**Assessment 2:** Topic 2 (Marketing) End of Topic test

**Assessment 3:** Topic 3 (People) End of Topic test
