## GCSE Results Day

### Thursday 12<sup>th</sup> August 2021

#### Exam results on the day

#### Important Action for Students:

Exam results will be emailed to each student's school email account after 8.30am on Thursday 12<sup>th</sup> August.

Prior to results day, it is important for students to re-check that they can receive emails to their school email account. Please ensure that is done by Tuesday 3<sup>rd</sup> August. If there are any issues, they must contact [studentithelp@rossettschool.co.uk](mailto:studentithelp@rossettschool.co.uk)  
Unfortunately, as with every results day, we are not able to email results to parents' email accounts or students' personal email accounts.

#### Press Release

We are always pleased to celebrate the success of our students by publishing the exam results in our local newspapers. Please email our Exams Office [exams@rossettschool.co.uk](mailto:exams@rossettschool.co.uk) prior to Tuesday 3<sup>rd</sup> August if you do not want your child's results published. If you have any queries, please contact our Exams Officer (Mrs Jones) by email [jjones@rossettschool.co.uk](mailto:jjones@rossettschool.co.uk)

#### Support on the day for Year 11:

As results are being delivered by email this year, key staff including our Careers Advisors will be available to provide support and advice if required. However, there will only be a limited number of meetings/appointments available, so it is important that students follow the following process:

1. Refer to the frequently asked questions (FAQs) document. Many questions that students/parents ask after the results are simple to answer and guidance can be found in this document.
2. If students or parents have a specific subject query, (such as whether they can go on to study a subject at A level with the grade that they have achieved), they should email the DOS/Subject Leader for each faculty (see list below);

3. If a student still needs an appointment after having gone through the first two actions, you can arrange a meeting with a member of staff, which can take place either in school or remotely, using the parents' evening booking system. **\*You can book these using the details below.**

When booking your child's appointment, you can **only book one meeting slot** with one member of staff. The meeting time will be up to 30 minutes.

The staff available for appointments to provide advice and support are:

Mr Royles	Associate Deputy Headteacher	Available in school
Mr Keyworth	Assistant Director of Sixth Form	Available in school/remote appointments
Mrs Morgan	Careers Advisor	Available in school/remote appointments
Mr Bulmer	Director of Learning – Year 11	Available in school/remote appointments

Additionally, on Friday 13<sup>th</sup> August a careers advisor will be available to arrange a careers meeting.

Mrs Jackson	Careers Advisor	Available in school/remote appointments
-------------	-----------------	-----------------------------------------

Please use the parents' evening booking system (link below) to book an appointment with a member of staff. Whether it is a remote meeting or an in school, face-to-face meeting you must use this system. Once you proceed to the on-line booking system, you will need to select either '**Video**' or '**In Person**' appointments.

You will be able to book an appointment from 8.45am on results day. Appointments are available from 9.00am – 12.30pm

The link to the online booking system is shown below.

2. **Your child's details:** You will be asked to provide the name of your child and their tutor group (in Year 11) as it is stored on the school system. **Forename, surname, form**
