

Revision Session Timetable

There are two types of revision session. They are described below. All of them are compulsory. The first three weeks of sessions take place during whilst students are still in school and are just for your reference. The rest take place after study leave – this is where we need your help to ensure you child is organised and in school for these sessions.

Pre-Exam Sessions

- Just before exams, we collect students together and a subject teacher gives them a few last-minute pieces of advice and wishes them good luck.
- These run before and after study leave starts.
- They are compulsory for all students in that subject.

Booster Sessions

- These are longer sessions usually the day before the exam.
- These are also compulsory.
