Rossett School
Success for everyone

RED KITE
LEARNING TRUST

6th November 2026

Dear Parents/Carers,

Important changes to our iPad scheme – Year 9 students

Thank you for continuing to support our iPad for Learning Scheme, which has played a significant role in enhancing students' learning experiences over several years.

We would like to inform you of some **important changes** to our iPad for Learning Scheme.
When your child joined Rossett School in Year 7, the scheme agreement was set over an 81-month period, covering their education through to the end of Year 13. As we no longer operate a Sixth Form, we are required to amend the duration of the iPad Scheme agreement from **81 months to 41 months.**

As a result, the scheme is scheduled to end in **February 2028**, and monthly Direct Debit payments will normally cease at that time.

However, if any payments have been missed during the agreement period, there may be an outstanding balance remaining. If this applies to you, a member of our team will contact you directly with further details. Any **outstanding contributions** can be settled via the **Parent Portal**.

As part of a review of the scheme, we will also no longer be providing upgraded iPads to students when they reach Year 10. Instead, students will continue to use their original device throughout the duration of the scheme, provided it remains fully functional and suitable for educational use.

The iPad currently assigned to your child will remain the **property of the school** until they complete their education at Rossett School at the **end of Year 11**.

During the summer term of Year 11, we will contact you with details of the options available to you. These will include either **returning the iPad** to the school or **purchasing** it for your child to keep. Should you wish to purchase the iPad, an **additional payment will be required**. Full details of the purchase cost and process will be provided nearer the time.

If you have any questions, please get in touch via email: rsipads@rs.rklt.co.uk

Yours sincerely,

Rossett iPad team
