

Rossett School

Success for everyone

13 October 2022

Dear Parent/Carer

Year 11 'Supporting Your Child' Evening, Thursday 20 October 2022 6-7.30pm

As part of our continued commitment to helping students achieve their best possible grades at GCSE, and with the exam period fast approaching, I am pleased to invite you to our 'Supporting Your Child' event which will be held in the Sixth Form Centre on Thursday 20 October 2022 between 6-7.30pm.

This informal evening is for parents/carers only and will offer practical advice and useful revision tips/techniques, as well as information about support material, preparing a revision plan and sourcing revision guides and past papers. There will also be an opportunity to order revision guides during the evening – please see attached price list for information – these can be paid for by cash or credit card on the night.

As you will be aware all students in England who fail to achieve a 4 or above in GCSE Maths and English will have to continue studying these subjects. We have therefore organised two dedicated English and Maths sessions during the evening to ensure that parents are equipped with the necessary information to guide their child(ren) in these two important subject areas. In addition there will also be a Science revision session.

Parental support is essential during this crucial period and this informative evening will offer excellent advice and guidance to enable you to help your child. If you would like to attend, please follow the link: <https://forms.office.com/r/zBpV5Get3b> to register for places before 3pm on Tuesday 18 October to enable us to plan resources accordingly. We look forward to welcoming you on the evening.

Yours sincerely

Mr D Royles
Deputy Headteacher

Mrs S Daly
Associate Assistant Headteacher
