

Hello Year 6,

Over the last couple of weeks, I have been working with all the primary schools to arrange to visit you next month. I am looking forward to meeting you, saying hello and finding out about your interests. I will also be able to answer any questions you have about your new school so please think about anything you would like to know.

I hope you enjoy all the Queen's Platinum Jubilee celebrations.

See you in June, Year 6!
