

ROSSETT SCHOOL - IPADS FOR LEARNING CONSENT FORM

To be completed and forwarded to the iPads in the Finance Department before any school iPad can be issued or a Personal Device can be connected to the school Wi-Fi.

This is an agreement covering all types of iPad being used in school. This includes scheme iPads, Loan iPads, and personal devices (where allowed):

For all iPad users in school the expectations below will keep you safe and help us to be respectful towards others.

- I understand that if I have a loaned or scheme iPad that it must remain in its protective case at all times. If it needs to be removed from the case this must be done by a member of the IT Services team or the iPads staff and no-one else
- I will only access the systems and my device with my own login and password, which I will keep secret
- I will not access another person's device or storage area, or interfere with other people's work or files
- I will use the iPad for schoolwork and homework
- I will not waste time in school using the iPad for non-learning activities
- I will not behave in a way that can cause damage to iPads, ICT equipment or to IT installations
- The messages I send will be polite and responsible
- I will not give my home address or telephone number, or arrange to meet someone, unless my parent/carer or teacher has given permission
- I will report any unpleasant material/messages sent to me.
- I will ensure that I bring the iPad to school each day and that it is fully charged at the beginning of the school day
- I understand that the school may check my iPad, files and monitor the Internet sites I visit in school
- I understand that use of the iPad is subject to the schools Acceptable Use of ICT Policy
- I understand that Virtual Private Networks (VPNs) are not allowed in school

Those with Scheme iPads: I am aware the iPad remains the property of the school until it is offered for sale in Year 10, in Y11 (if I do not progress up to Sixth Form) or at the end of Year 13. I know I will need to pay a sum of money to the school to keep it. I also recognise that if I leave at any other time that the iPad must be returned to school. I know I cannot buy it.

For those issued with Loan iPads: I am aware the iPad has been loaned to me by the school and must be returned on leaving (or on joining a school iPad scheme). It is not available for sale.

For those providing their own iPads for use in school: I am aware that even with a personal iPad I must follow the rules above if I am to be able to use the device in school and access the school's Wi-Fi.
