

CAREERS BULLETIN

SEPTEMBER 27TH 2024

A warm welcome to Rossett School Careers Bulletin - a weekly roundup of school careers activities, as well as updates on local, national and virtual career-related opportunities.

This week we would like to draw your attention to the updated careers section on the school website, particularly the new **Resources** button which gives you access to a range of useful information on everything from apprenticeships to cover letters, labour market information to work experience. You can access the Careers section [here](#).

You can also find an introduction to Rossett Careers Team, and what your child can expect from a careers meeting in the **Independent Careers Advice section**.

We are adding new resources all the time, but we would love to hear your ideas on what you would find most useful. Please contact our Careers Adviser, Emmi Wainwright on wainwrighte@rs.rklt.co.uk with suggestions, questions, and feedback.

Spotlight on Labour Market Information (LMI)

Each week, we will shine a spotlight on a different aspect of careers information. Labour Market Information or LMI, is data that reflects what is going on in the world of work, and it can help students make informed decisions about their next steps.

Data can be quantitative e.g. facts and figures about salary, hours, the number of jobs available etc., or qualitative e.g. insights into specific industries, job roles or different working environments. This includes talking to people who do a particular job to find out more.

Good sources of LMI include:

- [National Careers Service - Explore Careers](#)
- [BBC BITESIZE Careers](#)
- [icould](#)
- [Amazing Apprenticeships](#)
- [Prospects - what can I do with my degree](#)

KEY DATES

[Meet the Russell Group Universities 1st - 3rd October - Webinar](#)

[Leeds Creative Skills Festival 18 November 2024](#)

Welcome to
Rossett
Careers
Team!
