18SU0721 Ceramics for Intermediates

This course is for: Intermediates

Students should bring: Box and plastic bags/clingfilm to transport work home.

This course aims to: Allow students to develop their handbuilding and decorating skills by working on their own projects

The course will cover: How to plan, design and execute a personal handbuilding project (E.g. coiling, pinch pots, slab building etc) from vases and bowls to sculpture and wall pieces. Work can be decorated with coloured slips and transparent glaze.

By the end of the course: Students will have further developed their skills and produced a personal project

Tutor Profile: Anna has been teaching ceramics for 9 years in conjunction with her own practice as a professional Ceramicist. She has a 1st Class BA (Hons) in 3D Design, specialising in ceramics, from Manchester School of Art as well as a Graduate Diploma in Creative Business Development. She has taught ceramics to all ages and backgrounds, from a group of 30 excitable Brownies to working with adults in a mental health setting, and runs monthly 1 day workshops from her studio in Harrogate. She loves being able to pass on her skills and knowledge, and watching the clay bug take hold in her students!

"A million thanks again for a great learning experience, how I wish I'd had the opportunity to learn something like this years ago!" Kay Hyde
