Whimsical Wirework Dragonflies

This course is for

Anyone who loves crafts and has a passion for the beauty and grace of the dragonfly. Previous wirework experience will help but isn't essential.

On the Day, students will need to come along with;

A notebook and pencil, perhaps some pictures of dragonflies for inspiration.

All course materials will be provided including tools to use during the classes.

The course aims to

Throughout the 5 weeks of 2 hour sessions, we will create a selection of dragon fly themed, largely wirework based crafts including as many of the following as possible

- A 12 inch long, galvanized steel dragonfly garden ornament on a 1 metre cane.
- A silver plated wirework dragonfly pendant and possibly brooch.
- A beautiful, copper wire dragonfly mobile/suncatcher.
- A free standing, wire and beadwork dragonfly ornament

This course is suitable for

Anyone who loves making things.

We will be using pliers, wire cutters and glues throughout the 5 weeks. A reasonable level of dexterity is required for the course.

However, the tutor will always be available to help and advise. Additionally, the level of difficulty can be adjusted as required.

By the end of the 5 week course students

Will take home no less than 5 completed projects.

Will have learnt skills including a type of wire weaving, similar to willow weaving, manipulation of wire using pliers, bead infilling and the creative use of design and of colour in your projects.
