

Rossett Sixth Form Presentation Evening 2019

What students need to succeed

65% of today's students will be employed in jobs that don't yet exist.

A Level Results 2018

- 27% A*-A
- 49% A*-B
- 82% A*-C
- 98% pass rate.
- We are an inclusive Sixth Form and we help
ALL STUDENTS ACHIEVE THEIR POTENTIAL.

Destinations

- 98% of last year's students are in Education, Employment or Training.
- 70% of last year's students secured a place at university or college.
- 5 students started at an Oxbridge university in the last 3 years.
- 25% of our students started an apprenticeship or entered full time employment.
- A small number of students have taken a gap year.

Rossett Sixth Form

Did you know?

- **Arran is at Leeds University studying Economics and Politics after achieving AAA.**

Ella is studying Nursing at Northumbria University after achieving DistCC.

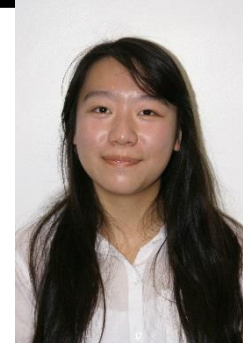

- **Laura is studying Fashion Design at Manchester Met University after achieving A*AAB.**

Rossett Sixth Form Destinations

Did you know

- **Joanne is studying Veterinary Medicine at the Royal Veterinary College in London after achieving A*ABB.**

Jack achieved DistDistD and has started a sports coaching apprenticeship in North Yorkshire.

- **Amelia achieved ABC and is studying Philosophy at Newcastle.**

Tom is studying Chemistry at Cambridge after achieving A*AA.

A Level Changes

- A Level reforms were introduced between 2015 and 2017. All subjects are now reformed.
- This means that schools nationally have moved to 3 A Level subjects plus a fourth option curriculum model.
- Students will still be able to achieve the same number of UCAS points for university.

A Level Subject choices

- Students select **3 A Level subjects** to study over 2 years.
- Students will pick one of the following **fourth options** based on GCSE results:

Extended Project Qualification (EPQ)
Core Maths
Football Scholars Programme with UFCA
Fourth A Level for students with a high average points score

- Students will only sit exams in either a fourth A Level or complete their Extended Project Qualification / Core Maths in Year 12.

We know your strengths

1. Rossett teachers know students' strengths already and can work with them, **from day one**, to maximise their potential.
2. Students make excellent progress.
3. Smaller class sizes in many subject areas means that students benefit from more 'teacher time'.
4. We support students choosing the right subjects to ensure they can maximise their UCAS points for university.

Support & Guidance

- OUTSTANDING pastoral care and guidance
- We believe that our knowledge of students helps us to write detailed and effective personal references.
- We have an excellent success rate with majority of our students receiving all 5 university offers and over 35% receiving unconditional offers.
- Our experienced team of Year 13 tutors help with personal statements and UCAS applications.

Specialist Pathways

- **DMV pathway** - support for students considering applications to Dentistry, Medicine and Veterinary Medicine courses.
- **Education pathway** – supports students with applications for teaching qualifications.
- **Law pathway**– several of our students have been accepted on the prestigious Pathways to Law programme.
- **STEM** – two pathways: ‘Science and Technology’ and ‘Engineering and Maths’.

Career support

- **Aim Higher programme** - a group of the most able students to develop critical thinking skills and help them in their applications to the elite universities.
- **Apprenticeship programme** – supports students in their application for apprenticeships.
- Personalised career guidance is also available from our dedicated Careers Advisor.

Enrichment Opportunities

- Listeners, Rossett Prefects and Ambassadors, Rossett Sports Ambassadors, Sixth Form committee, charities week, in-class support, Sixth Form Science Council.
- Rossett school regularly raises over £20,000 per year.
- All students benefit from being part of the Rossett 'school community' where they can demonstrate leadership, empathy, care and responsibility towards younger students.
- These 'soft skills' are highly valued by employers and admissions tutors.

Sixth Form Facilities

- Sixth Form Deli, open all day.
- Assembly room / study area
- Computer resources

- Dedicated study rooms and a Sixth Form area of the library provide excellent ICT facilities and a quiet place to work.
- Ability to leave school site during 'non-contact' time for work experience or with a parental agreed home study plan.
- Permission to bring cars on site.

Courses & Entry Requirements

- Over 30 courses to choose from.
- Can study A Levels and BTEC Level 3 courses, we offer a personalised curriculum.
- We advise on subject choices to maximise their potential UCAS points for university.
- A Levels generally require a grade 5 in that subject at GCSE.
- 5 GCSEs at grade 4 (C) or above.

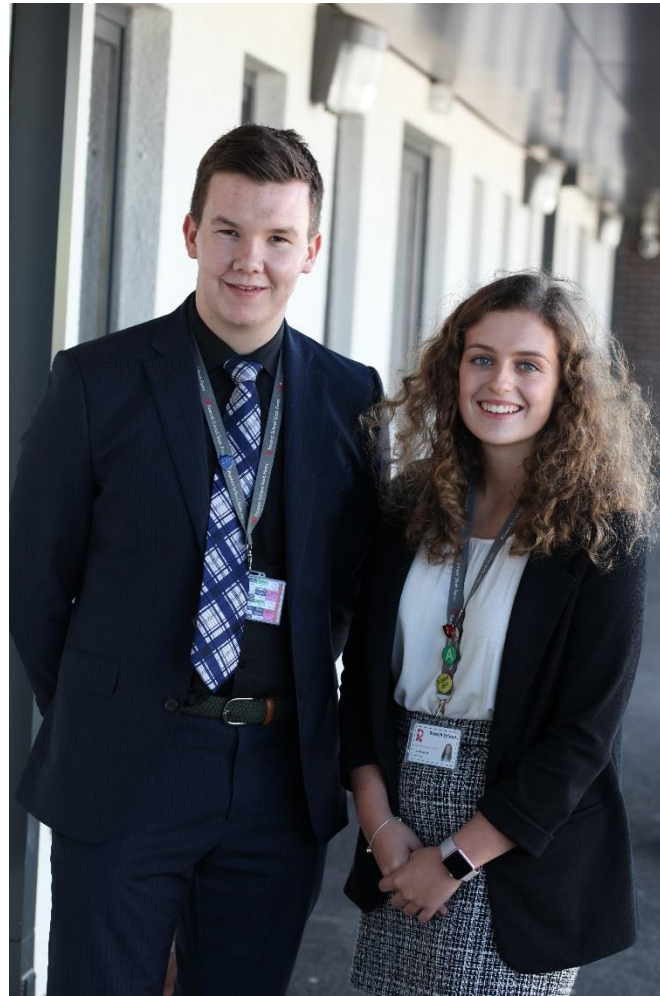

What Happens Next?

- Application forms to be returned by Friday 14 December.
- If you require further advice please call or email the Sixth Form team – hgrabham@rossettschool.co.uk
- Interviews for the Sixth Form with Senior Leadership Team in January / February 2019.
- Bookable appointments are available from our Careers Advisor.
