1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers.
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010.
- Clarify our expectations for school uniform.

2. Our school's legal duties under the Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include age, sex, disability, race, religion or belief, pregnancy and maternity, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all students the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender.
- Make sure that our uniform costs the same for all students.
- Allow all students to have long hair (though we reserve the right to ask for this to be tied back).
- Allow all students to style their hair in a way that is appropriate for school and makes them feel most comfortable. Natural hair colours only.
- Allow students to request changes to swimwear for religious reasons or if they are experiencing discomfort related to their sex, gender or gender reassignment.
- Allow students to wear headscarves and/or other religious garments.
- Allow students with sensory or physical needs to make reasonable adaptations to their uniform depending on their specific needs.
- Allow for reasonable adaptations to our policy on the grounds of equality by asking students or their parents/carers to get in touch with Mr. Royles, Deputy Headteacher, who can answer questions about the policy and respond to any requests. These will be considered on a case-by-case basis.

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education (DfE) on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that need to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents/carers' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost.
- Provides the best value for money for parents/carers.

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary.
- Limiting any items with distinctive characteristics where possible.
- Limiting items with distinctive characteristics to low-cost and/or long-lasting items, such as ties.
- Considering cheaper alternatives to school-branded items, such as logos that can be ironed on, as long as this doesn't compromise quality and durability.
- Avoiding specific requirements for items students could wear on non-school days, such as coats, bags and shoes.
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveller.
- Avoiding different uniform requirements for different year/class/house groups.
- Avoiding different uniform requirements for extra-curricular activities.
- Considering alternative methods for signalling differences in groups for interschool competitions, such as creating posters or labels.
- Making sure that arrangements are in place for parents/carers to acquire second-hand uniform items.
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents/carers of any changes.
- Consulting with parents/carers and students on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy.

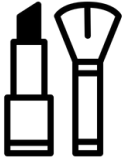

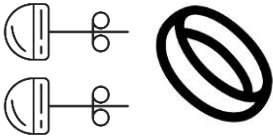

4. Expectations for school uniform

4.1 Our school's uniform Why?

- Following our dress code shows pride in belonging to Rossett School.
- This dress code means everyone is treated fairly as our expectations apply to everyone.
- Putting on school uniform places students in the frame of mind to learn.
- Our dress code helps prepare young people for the professional world they will join after education.
- Students act as ambassadors for Rossett School. Therefore, our expectations extend to travel to and from school.

Ongoing breaches of our uniform policy will be dealt with through the 'Respectful Relationships and Behaviour Policy.'

In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.
