

A level Results Day

Thursday 13th August 2020

Due to the exceptional circumstances that have arisen because of the Covid-19 pandemic, and the social distancing guidelines in place to prevent further spread of the disease, the decision has been made to email examination results to both Year 13 and Year 12.

Exam Results on the day:

Exam results will be emailed to the student's school email account after 8.00am on 13th August.

Prior to results day, it is important for students to check that they can receive emails to their school email account. Please ensure that is done by 10th August. If there are any issues, they must contact studentithelp@rossettschool.co.uk. Unfortunately, we are not able to email results to parent's accounts or personal accounts.

Press Release

We are always pleased to celebrate the success of our students by publishing the exam results in our local newspapers. Please email the Exams Officer exams@rossettschool.co.uk prior to 10th August if you do not want your child's results published.

If you have any queries, please contact the Exams Officer (Mrs Jones) by email jjones@rossettschool.co.uk

Support on the day for Year 13:

As results are being delivered by email, some staff including a careers advisor will be available to provide support and advice if required. However, there will only be a limited number of meetings/appointments available, so it is important that students follow the following process:

1. Read through the Frequently Asked Questions (FAQs) document. Many questions that students ask after their results are simple to answer and can be found in this document.
2. If students have a specific subject query, following their results they should email the DOSs/Subject Leaders for each Faculty (see list below);
